

FARWEST SHOW

2018 GROWERS SHOWCASE

2018 Theme "Big Ideas, Tiny Footprint"

Growers Showcase is an added opportunity open to all exhibitors at Farwest to draw customers back to your booths. 2018's theme is "Big Ideas, Tiny Footprint." As Farwest exhibitors, you are invited to participate at no additional cost by providing plant material and products that fall under the 2018 theme. Plants and products will be tagged with exhibitor's booth numbers and included in an artfully designed display featuring the beauty and benefit of simple, sustainable and eco-friendly living. Think of it as free publicity!

Instructions: Complete one form for plant or product type. Entry form must be completed to be eligible.

Product Name:

Company Name:

Manufactured & Distributed by (Farwest Exhibitor Booth #):
